The attached G.O. No. Ms 107 Education dated 16th January 1950 (true extract) is forwarded herewith. It may kindly be seen that this G.O. has been published specially to give military Educational Concession to the dependants of one Ex-Merchant Navy man named Francis D'Souza as a result of his application, obviously submitted by him direct to the Government of Madras.

This applicant has not availed any Educational Concession before and is applying for the first time this year for Military Educational Concession. I had to turn down the request of several other deserving ex-service applicants who were applying for the first time for military educational concession and the publication of this G.O. has put me in a very awkward position. Already some exservicemen-applicants have started complaining to me that they have been denied the Military Educational Concession although that they are better-qualified being exservicemen than the civilian Merchant Navy Men. I, therefore, request that action may kindly be taken either to cancel this special G.O. or action may be taken to give concession also to exservice personnel who are applying for Military Educational Concession for the first time, failing which I am afraid that the disappointed exservicemen may, perhaps, put up an agitation against this special case.

Sir,

sub:- War- Educational Concessions to children & dependants
of exservicemen who are applying for the first time.

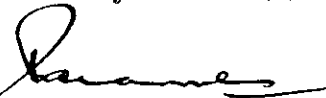

P.s.cf. - Ref:- Your No. 787/50-C dated 3-3-1950.

I personally inquired into this matter. Sri. Francis D'Souza says that he submitted a petition direct to the Madras Government representing that he is an ex-merchant navy man having four children and unable to meet the expenses of the education of his children. He states that the petition was drafted by an advocate and it was submitted to the Government under his advice.

Sri Francis D'Souza had previously reported to me several times after the issue of G.O.No.2230 of 11th July 1949, requesting for the eligibility certificates which I had refused because of the provisions of this G.O being a new applicant.

He denies any other follow up action by him regarding his petition.

My poor pecuniary circumstances do not permit me to give education for my children and therefore I have to depend for their education on the Government. The Government have sanctioned Educational concessions to children and dependants of Merchant Navy personnel employed during the war under G.O.No.2796 Education dated 9-11-48.

I could not get the opportunity of availing the above concessions to my children during the last year as I was on board the ship and was not aware of this order.

When I approached the Local Secretary of the District Sailors Soldiers' and ~~Airmen~~ Airmen's Board, South Kanara Mangalore for an eligibility certificate for educational concessions to my children he said to me that he cannot issue a certificate as this concessions has been cancelled under G.O. No.2230 Edn. dated 11-7-49.

Personnel of the Army Navy and Airforce were allowed to avail these concessions since 1942 but we the persons of the Mercantile marine were refused such concessions until this was given to them only last year. To grant this concessions for the last year and to withdraw ~~this~~ in this year is a severe blow to the Merchant Navy personnel and their children.

I therefore pray that orders may please be granted to award the concessions sanctioned under G.O.No.2796 Edn. dated 9-11-48 for at least this year (1949-50)

Awaiting an early reply.

The name of the children with their classes of study and names of schools are given below

2. Philomena D' Souza IV Form, St. Agnes College, Mangalore
3. Edward D' Souza V Class St. Sebastians' School, Mangalore.
